Environmental Policy

W. D. Close & Sons Limited recognise and accept that they have a duty to prevent incidents or pollution and will strive to improve the quality of our environment, this commitment extends to our full range of client services, our employees, our suppliers, sub-contractors, and all other interested parties

WDC will:

- Comply with all applicable environmental legislation and codes of practice pertaining to the company's services and activities.
- Minimise the use of materials and energy, and use recyclable or renewable resources where practicable.
- Minimise waste generation
- Establish a continuous improvement programme, in which all initiatives to conserve or enhance the environment will be encouraged.
- Make appropriate resources available to ensure efficient and effective implementation of this policy.
- Increase environmental awareness and liaison amongst clients, employees, sub – contractors, suppliers, regulatory authorities, local bodies and other interested parties.
- Encourage suppliers and sub-contractors to operate to environmental standards that match or exceed our own.

As part of the company's commitment to continual improvement, this policy will be reviewed annually by senior management to reflect the results of the environmental audit, changes in environmental legislation, environmental technologies and industry best practice.
