

Doc. Ref.		<b>Health and Safety Statement</b>	
Revision			
Date	01/06/2020		

WD Close and Sons Ltd take every reasonable precaution to protect its employees, visitors, sub-contractors and anyone else who may be affected by our undertakings in respect of Occupational Health and Safety (OH&S). WD Close and Sons Ltd will make every effort to improve their OH&S performance and this is achieved by applying this Company Statement and not compromising on Safety.

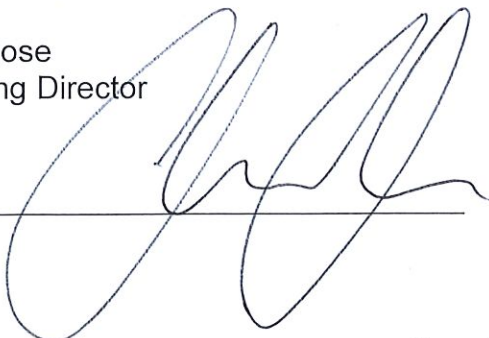

WD Close and Sons Ltd are fully committed to:

- Making sure that OH&S is embedded into the business decision-making process at all levels of the company by taking a risk-based approach to Health and Safety management.
- Complying with all relevant legal and statutory requirements, such as the Health and Safety at Work Act 1974, and the Management of Health and Safety at Work Regulations 1999.
- Providing training, supervision, equipment, information and instructions to minimise and eliminate risks to Health and Safety and prevent harm or ill-health.
- Providing the necessary training to maintain suitable arrangements in line with this Company Statement.
- Carrying out regular audits to continually improve the OH&S performance of the organisation.
- Taking remedial action to deal with any OH&S non-conformities identified from audits, incident investigations, inspections and monitoring.
- Agreeing on measurable objectives which will support the overall OH&S improvement of the organisation.
- Consult employees directly and through their representatives on all OH&S issues.
- Formally reviewing this Statement and revising it whenever necessary.

Whereas I have overall responsibility for OH&S, I believe that the efficiency of the company is through everybody's contribution to OH&S by giving due consideration to the company's safe working practices.

Chris Close  
Managing Director
